PURCHASER/REBATE RECEIPIENT

Residential New Construction

Building contractors should negotiate with home buyers to determine who will receive the rebate. If you are building a new home, you must obtain the dated sales invoice from the builder or retailer.

Rebate Notifications

Clearly enter your email address in the purchaser email address field if you would like to receive system generated email notifications about your rebate submission status.

Rebate Recipient

Dealers and retailers are not eligible to receive their customer's rebate.

APPLICATION

CenterPoint Energy gas account number

Customers can obtain their gas account number from their monthly bill statement, or online at CenterPointEnergy.com/MyAccount. In addition, the gas account must be active for the installation address in order for the rebate to be processed.

Online Rebate Submission

Customer will receive their rebate faster than a paper form if the dealer or customer submits the rebate application and electronic dated sales invoice online. Access the online form at CenterPointEnergy.com/ThermostatRebate.

Proof of Purchase and Installation - Attach to the completed application

Confirm that the dated retailer invoice/receipt from the retailer to the purchaser includes the required information:

- The receipt must describe the thermostat equipment that was purchased, including the retailer information. The invoice must match the information on the application. A packing list or recall invoice are not acceptable forms for proof of purchase. Additional documentation may be requested from CenterPoint Energy.
- **IMPORTANT**: Obtain a revised invoice if it does not contain all the required information.

Rebate Deadline

Completed application and proof of purchase and installation must be submitted by the program deadline of December 31, 2026, for equipment purchased in 2026. In addition, paper applications must be post-marked by the postal service by 12/31/26. We are unable to receive/process rebate requests for equipment installed prior to January 1, 2026.

PROCESSING

CenterPoint Energy is not responsible if the retailer does not provide accurate information about the rebate amount or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs can be cancelled or changed at any time.

REBATE

IMPORTANT: The purchase price of the thermostat must be greater than the rebate amount.

If all program requirements are met and the rebate is processed, the purchaser will receive a rebate check in the mail. Checks are mailed in an envelope from Houston, TX and expire 90 days from the date the check was issued. Please allow 8 weeks for rebate processing from the time that CenterPoint Energy receives the completed application. If you have not received a notification or payment after 10 weeks, you may email RebateCenter@CenterPointEnergy.com or call 612-399-1545.
